AUBURN TOWN REPORT

1

9

8

2

Auburn, New Hampshire

OFFICE OF THE SELECTMEN

P. O. BOX 218

AUBURN, NEW HAMPSHIRE 03032

TEL. 483 - 2281

February 14, 1983

To the Residents of Auburn:

It is with utmost sincerity that we ask all registered voters of the Town to make a special point to attend both the School District meeting on Friday, March 11th at 8:00 p.m. and the Annual Town Meeting at 2:00 p.m., Sat., March 12th. Both of the meetings will take place at the Roy Seavey Auditorium at the school. It is what happens at these two meetings that will directly affect your tax rate and in turn, what amount you will be spending in taxes next fall. Waiting until you receive your tax bill to comment or try to take action will be too late. Now is the time to be heard. Therefore, we urge all voters to attend!

Voting on your future Town Officials will take place on Tues., March 8th, from 10:00 a.m. to 7:00 p.m., at the auditorium at the Auburn Village School. Also on the ballot will be a question asking you to vote on the proposed zoning ordinances and map. A committee of your fellow residents has been working on them for almost 2½ years in an effort to simplify and revise the present ones. We urge you to read the proposed ordinances and to consider the issues seriously. In a democracy, you have certain duties to you fellow voters and attendance is one we hope you will take very seriously this year.

The Board intends to set up a study committee this year to look into long range plans including a safety building for the Fire Department and Police, the cost of full-time police officers vs. specials, full-time firemen vs. paid volunteers, an administrative assistant for the Selectmen's Office, and a re-cycling program for the incinerator. Another issue to be considered is the space requirements for the District Court. The group will look into the possible problems and advantages to our town. If you are interested and willing to donate some time please contact us.

In closing, we ask that you read the reports of the Departments and Committees in this Annual Town Report. The Board of Selectmen would like to "thank" all those who have given their time and efforts for the betterment of Auburn.

Gerald R. Lacourse, Chairman

Daniel J. Carpenter

Walter Emerson

Town Warrant

State of New Hampshire

Rockingham, S.S

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in said Auburn on Tuesday, March the eighth next, at ten of the clock in the forenoon, to act upon the following subjects:

FIRST: To bring your ballots for:
One Selectman for Three Years
Treasurer for One Year
Highway Agent for One Year
One Auditor for Two Year
One Library Trustee for Three Years
One Auburn Village Cemetary Trustee for Three Years
One Longmeadow Cemetary Trustee for Three Years
One Trust Fund Trustee for Three Years
One Police Commissioner for Three Years

SECOND: To see if the Town will vote on the following:
Are you in favor of the adoption of the Zoning Ordinances and Zoning Map as proposed by the Planning Board? (The adoption of the above will repeal the present Zoning Ordinances and Zoning Map and replace with the above.) (Posted in the Town Hall) (On the Official Ballot)

Polls will be open at 10:00 A.M. and close at 7:00 P.M..

You are also notified to meet on Saturday, March the twelfth next, at 2:00 p.m. at the Auburn Village School to consider the following articles:

THIRD: To see if the Town will vote to incur debt for temporary loans in anticipation of taxes.

FOURTH: To see if the Town will vote to accept such Trust Funds as may have come in during the year and Trust Funds as have not been previously accepted.

FIFTH: To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

SIXTH: To see if the Town will vote to authorize the Selectmen to accept, in the name of and in behalf of the Town, gifts for the use of the Town.

SEVENTH: To see if the Town will vote to authorize the Selectmen to dispose of any/or all property acquired by tax deed, by public sale with the right to accept or reject all bids.

EIGHTH: To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grant-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, Local, or private agencies that would be of benefit to the Town.

NINTH: To see if the Town will vote to collect taxes semi-annually as provided in RSA 76:15-a (Supp. 1981)

TENTH: To see if the Town will vote to authorize the Selectmen to withdraw and discontinue the Capital Reserve Funds in the name of the Town of Auburn the balance of the 1953 Grader Trust Fund, the 1967 Police Cruiser Trust Fund, and the 1970 Fire Truck Trust Fund and to expend the amounts plus interest received as off-sets against the Budget. (Approximately \$2 500)

ELEVENTH: To see if the Town will vote to appropriate the sum of eight thousand two hundred and fifty dollars (\$8,250) for the Auburn Police Department to purchase a cruiser. (Amount included in the Budget.) (Recommended by the Budget Committee.)

TWELFTH: To see if the Town will vote to authorize the withdrawal of ten thousand (\$10,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations to be raised by taxes. And, further authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced and to take any other action hereon. (For Tarring and Shimming.) (Amount included in the Budget. Recommended by the Budget Committee.)

THIRTEENTH: To see if the Town will vote to appropriate twenty thousand dollars (\$20,000) for the re-construction and re-surfacing of Wilson Crossing Road from Nutt Road to By-Pass 28 and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund; and further to authorize the Selectmen to make any pro-rata reductions in the amounts if estimated entitlements are reduced or take any action hereon. (Amount included in the Budget. Recommended by the Budget Committee. Total amount of project is \$35,000.)

FOURTEENTH: To see if the Town will vote to appropriate the sum of nine thousand seven hundred forty-two dollars and twenty-nine cents (\$9,742.29) to be funded by the State of New Hampshire Additional Highway Subsidy Funds 1983 for the re-construction of a portion of Eaton Hill Road. And, further to authorize the Selectmen to make pro-rata reductions if the amounts of estimated entitlements are reduced and to take any action thereon. (Amount included in the Budget. Recommended by the Budget Committee.)

FIFTEENTH: To see if the Town will vote to approve the following ordinance relating to unvented space heaters:

1. Unvented Space Heaters

In accordance with the provision of NHRSA 158:28 and NHRSA 31:60-a, unvented space heaters may be used in accordance with those statutes and with the regulations promulgated by the State Fire Marshal as directed by those statutes and as defined therein:

a. In unoccupied structures

2. No person shall sell or offer for sale nor shall any person install or use an unvented space heater in the following places:

- a. In a retail establishment
 - b. In any office
 - c. In any business garage, filling station, public garage, repair garage, or service station.
 - d. In any structure unless a competent person is in attendance
 - e. In any place of public assembly, educational facility or medical facility
3. No unvented space heater may be maintained or serviced except by the manufacturer's authorized agents.
 4. Permit inspection by local officials of the structure where the heater is to be used.
 5. Installation of smoke/heat detectors in areas where the heater is to be installed.
 6. Installation of an approved fire extinguisher.
 7. All unvented space heaters must be, at all times when in operation, placed upon a non-combustible, non-heat conductive base. Said base shall be at least 3 feet on all sides.
 8. Permits to purchase and operate an unvented space heater may be obtained from the Chief of the Auburn Fire Department or another officer of the Department designated by him. If the applicant is not the owner of the structure in which the unvented space heater is to be used, a notarized letter from the property owner must be presented indicating his consent to the use of the unvented space heater in that structure.

9. The penalties in the proposed zoning ordinances (# 804 & # 805) shall apply to this ordinance.

SIXTEENTH: We, the undersigned, being legal votes in the Town of Auburn, N.H. do hereby petition the Board of Selectmen of said Town, to place the following article on the warrant for the 1983 annual meeting;

ACID RAIN WARRANT ARTICLE

To see if the town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Auburn, N.H. and to the health and welfare of the people of Auburn, N.H.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

1 *Indicates not a registered voter at the time the was submitted.

(Addresses and phone numbers submitted. On file in Sel's Office.)

EIGHTEENTH: The undersigned legal residents of the Town of Auburn, New Hampshire request the Selectmen to place the following question on the warrant for the 1983 Town Meeting:

"Shall the citizens of the Town of Auburn, New Hampshire ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the United States Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries."

Rather than permit the threat of nuclear war to increase, the United States and the Soviet Union should adopt an immediate mutual freeze...in a democracy we are all responsible for pushing the button.

"I like to believe that people in the long run are going to do more to promote peace than are governments. I think that people want peace so much that one of these days governments had better get out of their way and let them have it." - President Dwight Eisenhower, 1959.

Article 2: Zoning (Provisions of RSA 72:43-I adjusted elderly exemptions)

Yes 126 No 25

The Yes votes being a majority Article 2 is passed

Article 3: Zoning Ordinances and Zoning Map. This Article was deleted prior to the annual election.

The annual business meeting was called to order by Moderator C. Donald Stritch at 2 P.M. on March 14, 1982. Mr. Stritch read the results of the election on March 9, 1982. Mr. Lacourse read a statement concerning the withdrawal of Article 3. Mr. Stritch called on Rev. Hubert J. Topliff for the invocation.

Article 4. (Temporary Loans) Motion was made by Philip Hujar that the article be adopted as printed in the warrant. Second by John Davis. Vote was in the affirmative and Article 4 was passed.

Article 5. (Trust Funds) Marion Miller moved that Article 5 be accepted. Second by Daniel Trombly. Vote was in the affirmative and Article 5 was adopted

Article 6. (H.B. Burnham Fund) David Griffin moved that the H.B. Burnham Fund be used for the library. Mr. Therrien seconded the motion. Article 6 was passed.

Article 7. (Gifts) Mr. Lacourse moved that Article 7 be adopted as printed in the report. Second by Mr. Biron. Article 7 was adopted.

Article 8. (Tax Sale) Mrs. Therriault moved that the article be adopted as printed in the warrant. Second by Mrs. Marzloff. Article 8 adopted as read and moved.

Article 9. (Application for Grants) Daniel Carpenter moved that Article 9 be adopted as printed. Second by Barbara Lee. Article 9 adopted as read and moved.

Article 10 (Margate Drive) Mr. Donald Dollard moved that we accept Article 10 as printed. Second by Mr. Durand. Discussion followed. Motion was made by Mr. Mason to postpone Article 10. Second by Mr. Sullivan. Motion passed.

Article 11. (Revenue Sharing) Mr. Stacy moved the article be accepted as printed. Seconded by Mrs. Tardiff. Mr. Trombly moved the question. Article is adopted as printed.

Article 12. (Police Radios) Lloyd Wood moved that Article 12 be accepted as printed. Second by Theobald Therrien. Mr. Wood explained the need for the radios. Mr. Biron moved the question. Article is adopted.

Article 13. (Highway Subsidy - Raymond Road) Joseph Stacy moved that Article 13 be adopted as read. Second by Mr. Trombly. Article 13 adopted as printed.

Article 14. (Trust Funds) Mr. Hujar moved that we adopt Article 14 as printed. Second by Mrs. Jacobs. Article is adopted.

Article 15. (Sun Valley Petition) Mr. MacKay moved that Article 15 be adopted as printed. Second by Mr. Heald. Discussion followed. Mr. Trombley moved the question. Article failed.

At this time Mr. Stritch thanked Patricia Jamroz for 18 years of service as Supervisor of the Checklist. He introduced Susan Andrus who has been appointed to replace Arthur Butts who has resigned.

Article 16. (Community Action) Mrs. MacDonald moved that Article 16 be adopted as printed. Second by Mrs. Hebert. Moderator introduced Joseph Wheeler a member of the Board of Directors who explained the program. Mr. Durand moved the question. Article 16 was defeated.

Article 17. (Gypsy Moth) Gary Testa moved that Article 17 be adopted as printed. Second by Mrs. Jacobs. Discussion followed. Mr. Davis moved the question. Article 17 was defeated.

At this time Mr. Stritch introduced Harry Flanders, Representative to the General Court. Mr. Flanders addressed the body.

Article 18. (Budget) Mr. Biron moved that the budget in the amount of \$498,740.74 be adopted. Second by Mr. Andrus. Mrs. Davis moved to amend the article by deleting \$4,007.00 for the Visiting Nurse Assoc. Second by Mr. Durand. Discussion followed. Mr. Flanders moved the question. Second by Mr. Smith. The amendment was defeated. Further discussion on the budget followed. Mr. Sullivan moved the question. Vote was in the affirmative and the budget in the amount of \$498,740.74 was passed for 1982.

Article 19. (Other Business) Mr. Lacourse thanked Mr. Philip Hujar for his many years of service to the Town of Auburn. Mr. Hujar is retiring from the Board of Selectmen.

Mr. Stritch requested that all Town Officers come before the Town Clerk to be sworn in.

Mr. Senechal moved that the meeting be adjourned. Meeting closed at 3:40 p.m.

Respectfully submitted.
Mary F. Griffin
Town Clerk

At the close of the meeting the following appeared and took oath as prescribed by law:

Herbert Chase and Christine O'Neil as Trustees of the Longmeadow Cemetery for Three and Two year terms respectively. Undice E. Griffin as Auditor for one year. Susan Andrus as Supervisor of the Checklist to fill the unexpired term of Arthur Butts. Brenda Beer as Supervisor of the Checklist for six years. Joseph Stacy as Highway Agent. Richard Miller as Treasurer. Walter Emerson as Selectmen for three years.

Telephone	483-5374

Once again this past summer a very successful story and craft hour was run for pre-schoolers on Saturday mornings. If enough interest is indicated there will be another program this summer. The program runs 6 weeks with the only requirement being pre-registration with the librarian.

* Any resource book requests should be filed two weeks prior to report due date with the librarian to insure book availability.

**Penalty for failure to return a book is a fine of the purchase price to replace the book and possible loss of library privileges.

Help us to help the library work for you. We strongly need your support and any and all donations. Thanks to all who gave so generously this past year.

Work is under way to have a receptical placed in front of the library for patrons to return books during unopen hours of the library. Please support this project.

Respectfully submitted,

Linda L. Therriault

Visiting Nurse Association Home Health Agency of Greater Manchester, Inc.

1982 Report of Services to Auburn

Whenever illness or injury threatens a person's quality of life, it becomes the responsibility of the family and community to respond with care and support in order to return that person to the peak of health. It is also the community and family's responsibility to promote the health of all persons.

The Visiting Nurse Association-Home Health Agency of Greater Manchester, Inc. is a part of the vital community that provides assistance in our health and human service system. It is a voluntary, nonprofit home health agency dedicated to the promotion, prevention of disease and care of the sick in 5 towns: Auburn, Bedford, Candia, Goffstown, Hooksett and the City of Manchester.

Since our beginning in 1897, our role has been to meet the changing needs of community health care delivery. The Agency is nationally accredited by the National League for Nursing/American Public Health Association, Medicare and Medicaid certified and a United Way Agency. The Agency provides 24 hour home care services.

During this past year, Mrs. Meg Stack Geraghty, a resident of Auburn, served on the Board of Directors.

The Agency is supported by various funding sources. Services are provided within the resources of the Agency. Attempts are made to provide necessary services without regard to ability to pay. The town appropriation is vital to the continuation of services to the residents of Auburn. Fees are discussed on the initial visit and a sliding scale is used when full fee is not possible.

Agency services are provided by many different kinds of staff members: licensed Professional Nurses, registered Physical Therapists, registered Occupational Therapists, registered Speech Therapists, registered Nutritionists, Social Workers, certified Home Health Aides, homemakers, companions and personal care assistants.

Our home health care program continues to be the largest program of the Agency. This program allows the patients to receive high quality professional care in the privacy and comfort of their own home which contributes significantly to the patient's rate of recovery.

For many patients, this part-time approach to health care delivery has become increasingly recognized as a more effective, less costly alternative to conventional round the clock hospitalization or care in a nursing home.

During this past year, the Agency has increased its services to the terminally ill patients and their families who have made the decision that they would like to have their remaining days together at home and to live them as fully as possible.

Preventive health services of the agency, one designed to promote and maintain a level of "wellness" assists the community and its members to function at full potential. During this past year the Agency provided Immunization Clinics, Adults Health Screening Programs, including Blood Pressure Screenings, Foot Care Clinics, and Occupational Health Services to industries. Walk in blood pressure screening and health counseling/teaching is provided Monday - Friday from 1 - 4 p.m. at the office, 194 Concord Street, Manchester.

The Agency's Maternal and Child Health Services Program experienced some reduction in services during the past year. The Agency's resources have been used primarily for the high risk families, including pregnant adolescent and teenage mothers.

During the past year in Auburn, the Agency served 32 in the home care program and made 199 nursing visits, 92 (132 hours) Homemakers/Home Health Aide visits, and 15 rehabilitation therapy and other visits. 14.5 hours of clinics were also held in Auburn.

The total value of services rendered to Auburn residents during 1982 was \$9,006. Some of these services were covered by town appropriations of \$4007, Agency acquired grants, United Way, donations and other solicitations.

Sarah Hubbard

Auburn School District Warrant State of New Hampshire

To the inhabitants of the School District, in the Town of Auburn, New Hampshire, qualified to vote in district affairs.:

You are hereby notified to meet at the Auburn Village School in said district, on the 11th day of March, 1983, at eight o'clock in the evening to act upon the following subjects:

1. To hear the report of agents, auditors and committees or officers chosen and pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1983-84 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
3. To choose one Auburn voter to serve as a member of the Auburn-Candia-Hooksett School Districts Staff Development Committee for two years.
4. To see if the District will vote to raise and appropriate the sum of Three Hundred Forty-Two Thousand Four Hundred Sixteen and 00/100 (\$342,416.00) Dollars to fund all cost items relating to teachers' salaries and benefits for the 1983-84 school year, Twenty-Seven Thousand Six Hundred Twenty-Three and 00/100 (\$27,623.00) Dollars of such representing additional salaries and benefits attributable to the increase in salaries and benefits over those obligations payable under the first year of the Collective Bargaining Agreement entered into by the School Board and the Auburn Education Association. (This is the second year of a two-year contract.) (recommended)
5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers; and, for the payment of the statutory obligations of the District.

Given under our hands at said Auburn, New Hampshire, this _____ day of February, 1983.

School Board of Auburn, New Hampshire
Marion Preston, Chairperson
Thomas McGrath

School Board Member for Three Years	William H. Wood

On vote to change terms of school district clerk, moderator and treasurer from one year to three years. the
The vote was yes.

Respectfully submitted,
Marcia Trombly
Auburn School District
Clerk

Audit Report

To the Members
of the School Board
Auburn School District
Auburn, New Hampshire

We have examined the combined financial statement and the individual fund and account group financial statements of the Auburn School District as of and for the fiscal year ended June 30, 1982, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund and account group financial statements referred to above present fairly the financial position of the Auburn School District at June 30, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Auburn School District. The information has been subjected to the auditing procedures applied in the examination of the combined individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Auburn District School Meeting

March 12, 1982

School district meeting called to order at 8 P.M. by Moderator, C. Donald Stritch. The results of balloting on March 9, 1982, and the school warrant were read.

Article #1

Mr. Robert Lewis, Chairman, made the motion to accept the article as read, Mr. Biron seconded the motion. No discussion the moderator called for a vote. It was declared Yes and so passed.

Article #2

Inappropriate to be legislated tonight. Candia and Hooksett voted down.

Article #3

Marion Preston made the motion to accept the article as read, Mr. Miller seconded the motion. No discussion the moderator called for the vote. It was declared yes and so passed.

Article #4

Robert Lewis, Chairman made the motion to accept the article as read. Mr. Greeb seconded the motion. Mrs. Jacob asked that an explanation be given as to what the \$19,294.00 is for. Robert Lewis explained the increases regarding contracts with teachers, there is no increase in benefit level, all for salary increase over two year period. The question was moved. It was declared yes and so passed.

Article #5

Beverly White made the motion to accept the article as read. Roland White seconded. Mr. Chase asked questions on the cost of the bus. Mrs. White explained comparable to Memorial and Central bus. Mrs. Davis asked questions on bus routes to High Schools, cost etc. Much discussion followed. It was recommended to try for one year and see how goes. Dan Trombly moved the question. It was declared yes and so passed.

Article #6

Maurice Biron, Chariman Budget Committee moved the budget be accepted \$1,338,209.49. Remove (other than) to include benefit and salaries in Article #6 to correct error. Robert Lewis ammended budget to add cost of the bus in Article #5. Beverly White seconded the motion. The Article was ammended to include \$9,200.00 for Article #5. Mrs. Tardiff seconded. Mr. Davis moved question. Ammendment passed.

Article 6 now reads to raise \$1,347,409.49. Mrs. Davis asked questions on why \$100,000.00 jump for regular programs over last year. Salary teachers, computer and tuition given as explanation. Mrs. Davis ammended budget by \$17,000.00. Mr. Durand seconded. The question was moved on ammendment. A show of hand vote was called for. All in favor of delete \$17,000.00 from budget. Yes 38 No 24. Ammendment passed. \$1,330,409.49 vote on budget. Mr. Durand made motion to eliminate \$422.00 from budget. Mrs. Jacob seconded. N.H. Ed. Television network programs. A vote was called for. It was declared No. Further discussion followed. Mr. Gagnon moved Article to vote on \$1,330,409.49. It was declared yes and so passed.

The meeting was adjourned at 10 P.M. when Alex Komaradis made the motion.

Respectfully submitted,
Marcia Trombly
Clerk

Auburn School District Warrant 1983-84 State of New Hampshire

To the inhabitants of the School District, in the Town of Auburn, New Hampshire, qualified to vote in District affairs:

You are herby notified to meet at the Auburn Village School in said district, on the eighth day of March, 1983, at Ten O'Clock in the morning, to act upon the following subjects:

1. To choose a Moderator for the ensuing three years.
2. To choose a Clerk for the ensuing three years.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

Given under our hands at said Auburn, New Hampshire, this the tenth day of February, 1983.

School Board of
Auburn, New Hampshire
Marion Preston, Chairperson
Thomas McGrath
William Wood

Superintendent's Report

The American people, since colonial times, have had an abiding faith in the power of education. While the process of educating the young was then at an informal level and primarily accomplished by the family, one could say that it was universal in the sense that virtually all were trained to make some contribution to the welfare of the family. To be sure, there were instances in which an individual was unable to engage in some effort, but in the main a contribution was made, whether it was large or small.

With the advent of the industrial revolution life suddenly became very complex. Not only did society begin to realize that the family unit could no longer provide an essential education, but as a result of the introduction of more efficient machinery and legislation designed to eliminate child labor, more and more children found their way to school. In spite of the fact that nearly everyone subscribed to the democratic principle of an education for all, its application fell short of the goal of universality. Not only did some leave school at an early age, but the scope of education was narrow in relation to the needs to be served. Those with handicaps more often than not were completely deprived of an education and even those who were able to attend school under normal conditions frequently did not participate on an equality of opportunity basis.

As the years passed and an increasing amount of social legislation was enacted, the demands on public education grew in proportion. Initially funded at the federal level there were some voluntary programs that eventually had to be under-written at the local level or dropped. Other programs were mandated by both the federal and state governments and either were inadequately funded or imposed on the local district to implement. That the programs were desirable and of merit was not disputed. Public concerns were expressed related to the ability of school districts to accomplish the tasks mandated. Some larger districts already had undertaken steps to provide a measure of opportunity and meeting additional requirements did not involve much more per pupil effort because of the numbers involved. Conversely, smaller districts, without the same resources as their large counterparts, suddenly found themselves in the position of having to meet new demands without additional funds.

Today, not only are districts being asked to provide facilities and services for school-age children, but legislation pertaining to the welfare of children is becoming broader and, in some cases, includes provisions for preschool children. Two recent pieces of legislation, one enacted by the state and the other by the federal government, serve to illustrate this movement. It is emphasized that the merits of such legislation are not an issue in this report.

In 1965, the New Hampshire General Court took action which required every handicapped child between the ages of five and twenty-one and capable of being benefited by instruction, to attend an approved school program to which he may be assigned by the local school board. If necessary, such education was to be made available until the individual reached the age of twenty-one years. Small districts, for the most part unable to support proper programs, usually arranged to have the

child attend a school, often outside of the district, which provided a specialized education. The tuition liability of the district was equivalent to the state average tuition for the previous year.

The 1973 session of the state legislature modified the original statutes that dealt with the handicapped in a number of ways, the most notable of which made all preschool children eligible, regardless of age, at the same time requiring the State Board of Education to assume responsibility for tuition which exceeded the state average per pupil cost. With a statute that made it mandatory to provide some type of program for all handicapped children up to the age of twenty-one years, it seemed that finally parents and school districts would obtain relief.

Such was not the case, however, for in the same breath that the General Court enacted legislation requiring a broadening of opportunities, it failed to provide the funds for implementation. This raised a host of questions as to who was going to assume financial responsibility for costs above the state average. By law the local district could pay no more than the state average cost, but the state department of education had no money to assume responsibility for any payments in excess. In 1974, the statutes were amended to give the local school board authority to pay more than the state average tuition cost, at the same time allowing the state department of education to assume some of the tuition cost on a prorated basis if any funds were left over after meeting other obligations.

The net effect of this legislation is that the local districts must assume responsibility for providing an equality of educational opportunity for all children from birth to twenty-one years of age. Given the option of establishing programs within the schools or tuitioning to other schools, school boards are faced with increasing instructional costs; not only has the population to be served increased, but the cost of providing specialized curricula often is considerably higher than that of the traditional program.

Somewhat different in thrust is Title IX of the Education Amendments of 1972, which represents civil rights legislation recently enacted by Congress. While it deals with sex discrimination, of particular interest is the section which concerns the treatment of students. Many schools have in fact already met the intent of the law in some measure. One example is the requirement that no courses can be offered exclusively for girls or boys; some schools now have open enrollments and actively encourage participation of both sexes in what traditionally has been a segregated offering. While there could be additional costs related to this arrangement, the larger effect will be found in the area of athletics. It will now be the schools responsibility to provide athletic opportunities in such sports and through such teams as will most effectively equalize opportunities for members of both sexes. Unless the program is eliminated, the effect of this legislation will be to increase the amount of money appropriated locally for athletics.

Traditionally, the state has been responsible for education. In most states much of the responsibility for actual organization and administration of schools has been

delegated to the local districts. New Hampshire residents have taken pride in their local schools over the years and have had the satisfaction of being able to determine the policies which governed their operation. More recently an increasing amount of legislation at both the state and federal levels has had the effect of reducing the extent of control which the community has been able to exercise over its educational program. If one examines educational legislation over the years, there can be no question but that much has been enacted as a result of what some group perceived as a need. Of concern, as expressed by not a few, is that the capacity of local districts is such that it is becoming increasingly difficult to adequately support all programs that are desirable as well as legislated.

1982 saw the expiration of the Staff Development Plan of professional staff members in the School Districts of Auburn, Candia and Hooksett. A new plan covering 1982 through 1987 has been written and the school districts are currently operating under the revised plan.

The accountability or competency testing program as it is often called has continued in Auburn, the results being very good. Competency tests are again being administered during the current school year.

We had a very low teacher turnover in Auburn during the past school year and this is most gratifying. Auburn is in position of having a competent and experienced school staff which is working very successfully with your children.

Computer education is an area that has seen considerable expansion in the Auburn Village School over the past year. Mr Bourque and members of his staff have worked with students on the function of the computer, computer literacy, and computer programming.

The 1981-82 academic year marked a greater effort to coordinate and consolidate the buying power of the four SAU #15 school districts. As a result of this consolidation, the Auburn School District was able to realize substantial savings in such areas as art, office and scholar supplies; bakery and dairy products; microcomputer hardware, school furniture and equipment; and heating oil. Plans are underway to refine this process in 1982-83, and to extend it to include athletic, audio-visual and custodial supplies and equipment.

Two major construction projects were completed during the summer of 1981: the renovation of the second story of Auburn Village School and the replacement of the gymnasium roof.

The renovation project was an outgrowth of a Needs Study Committee recommendation to convert the open-concept area into individual classrooms. As a result, the fourth, fifth and sixth grade classes are now housed in six separate classrooms and a seventh room is being utilized as an instructional area for students with reading problems. Now the students in the intermediate grades--just as with all other students in the Auburn Village School--have the educational benefit of classrooms free from the noise and distraction of other classes. In addition to this educational benefit, increased ceiling insulation and an improved ventilation system should result in energy savings in the years to come.

The replacement of the gymnasium roof also provided Auburn with a double benefit. Not only does the single membrane roof have a ten year manufacturer's warrantee, but the increased insulation in this new roofing system means further energy savings.

While the start of the 1981-82 academic year marked the completion of two major construction projects, the end of the year signaled the beginning of a third project. In June, the New Hampshire Water Supply and Pollution Control Commission (NHWSPCC) tested the surface water in vicinity of the leach field and found that it had a high coliform bacteria count. Both NHWSPCC officials and an independent consulting engineer retained by the Auburn School District Board stated that the leach field was failing and needed to be replaced with a new system conforming to State standards.

After receiving unanimous approval from the Auburn Budget Committee, the Auburn School Board filed an application with the New Hampshire State Board of Education requesting authority to make an emergency expenditure of approximately \$42,000 to construct a new septic system. The State Board ruled in favor of this application and, after requesting bids for the project, construction began in August 1982.

The project was completed in October 1982 for a total cost of \$42,285. Since the New Hampshire Department of Revenue Administration reduced Auburn School District's 1981-82 unreserved fund balance (unspent monies) applied toward the succeeding year's assessment) by a like amount, no new tax dollars had to be raised to fund this project.

Principal's Report

The school population of September 8, 1981, was 407 and when school closed in June, it was 410.

An on going review of a specific curriculum area is planned for each school year. The intent of this program is to keep curriculum current and insure that minimum competencies are being taught at appropriate grade levels.

During the 1981-82 school year the teachers reviewed the Social Studies curriculum and made recommended adjustments to make sure that specific skills and concepts will be introduced, reinforced, and finally mastered. Following the curriculum review, textbooks were recommended for adoption to help provide the necessary continuity for grade level to grade level for the 1982-83 school year.

Mrs. Kupovics has been in charge of the Academically Talented Program at the 7th and 8th grade level. The program has been in operation for one year and was part of an adaptive/adoptive grant from Title IVC. The Title IVC office has reviewed the program and has designated our school as a model development site. Educators from Derry Junior High School and Salem Elementary, along with people from other school districts, have visited our program.

Another program that has been recognized by the State Department of Education is the New Hampshire History and Government curriculum developed by Carol Gosselin and the Social Studies Committee.

The 1982-83 curriculum review will focus on science.

Our athletic program provides a valuable experience for the students of Auburn. Students may participate in soccer, boys' and girls' basketball, baseball, softball, and cheerleading. The experiences gained in a team sport are a valuable lesson for life. The student's conduct both at home and away have been something we all can be proud of.

A regularly scheduled painting and repair program is planned every year. This insures the proper upkeep of the existing building.

The roof over the 4th-6th grade area has been rebuilt and recommendations for further roof work will be made for the 1983-84 budget.

The security system installed three years ago has been up-dated and minor adjustments made. The present system provides a direct signal to the Rockingham Sheriff's Department and the Auburn Police Department. Recent tests have indicated reaction time of approximately 3-5 minutes once the alarm has been sounded.

To continue with energy conservation measures, two fans have been installed in the ceiling of the gym. These two fans are capable of moving 10,000 CFM. According to the energy report, these fans can provide a savings of 10-30% in heating costs.

The system works on a very simple concept. Heat rises and dissipates through the roof, leaving relatively cool floor temperatures. Using the fan system will eliminate this heat stratification by constantly circulating the heat down to equalize the temperature from floor to ceiling. The equalizing of temperature reduces the frequency which heaters are called upon to produce heat. This reduces your heating costs

An on going program to replace classroom desks and chairs has taken place, along with an on going program to repair existing units. With the high cost of school furniture an on going program seems wise and appropriate.

The Superintendent of Schools, under the direction of the School Board, has set up a program called Management By Objectives. During the 1982-83 school year, the following objectives have been discussed and accepted by the Superintendent.

1. By the end of the 1982-83 school year the Auburn School Principal and the school staff will develop a writing program for each grade level for the purpose of improving student writing and coordinating teacher instruction of writing.
2. By the end of the 1982-83 school year the Auburn School Principal and the school staff will design specific strategies for implementation of the Accountability Management Plan which will identify and remediate weaknesses in the curriculum and individual student performance as demonstrated by the results obtained from the annual administration of the competency tests in grades 4 and 8.
3. By the end of the 1982-83 school year the Auburn School Principal and the school staff will review and recommend the adoption of a science curriculum for grades 1-8.

I have set up committees to work on developing and recommending the implementation of specific programs that meet the intent of the objectives listed. In-Service Days provide part of the necessary time for committees and individual teachers to carry out the directives issued by the school administrator.

Graduation excersises were held on Tuesday, June 22, 1982, when sixty-two students received diplomas. The guest speaker was Dr. Mary R. Scerra, Dean of White Pines College. Honors speakers were Von Sanborn, Jonathan Dollard, and Susan Lord. Departmental awards went to Alison Guimond, Social Studies; Von Sanborn, Science; Susan Lord, English; Jonathan Dollard, Mathematics. Honor student award went to Von Sanborn. P.T.A. Award-Most Improved went to Daniel Boyce. Millie Preston Service Award went to Gail Desfosses. School Board Award-Citizenship Award went to Jacqueline Morin.

Mrs. Barbara Dittmer, President of the Citizens Scholarship Fund of Auburn, made the presentation of the first annual Millie Preston Scholarship Fund Award to Diane Doyon. Diane plans to pursue a medical career at Hofstra University in Hamstead, New York. Good luck Diane !!

I would like to thank the parents, faculty, staff, students, School Board Members, the Superintendent of Schools and his staff, and those other members of the community whose efforts have been extremely valuable in the support of good education.

A Thought On the Times

The democratic way of life is an invaluable process designed to allow people to express ones thoughts and establish a fair and reasonable method to providing the rules and funding necessary to provide for the survival of our societies well being.

The educational portion of society had fallen on hard times. The survival of the quality of the educational programs demand reasonable levels of scrutiny and funding.

If this vital democratic process is pursued openly and with the guidance of competent leadership, then the survival of our educational system will be maintained.

We must remember that the educational system we have in place reflects a microcosm of the society of the times.

Report of the School Board

Education is the prime goal of your School Board and our interest is to search for the best possible ways of accomplishment.

The constant increase in educational costs is of vital interest to each tax payer and your Board spends many long hours trying to get the most out of each dollar.

It appears that the results of the competency program instituted in 1980-81 is meeting the responsibility of teaching basic skills in Math, Language Arts, and Social Studies.

Our Social Studies curriculum has been revised this past year with a new series being introduced into our present system.

We have been extremely fortunate in having our present administrator and staff, who with no cost to the district, were instrumental in establishing a computer program with excellent response from our students. It is our sincere wish that support from local groups will enable this program to continue to grow and serve more and more of our students.

Professional development is important to our system of education and this year a five year plan was prepared for Auburn, Candia, and Hooksett and is currently in operation.

Our Special Education program is of great concern with revenue losses and mandated requirements from both State and Federal Government.

Our septic system has been corrected and we trust the Primary Playground area can be considered as a good COMMUNITY PROJECT for all interested citizens. This area is extremely wet for a playground for little tots. A group of willing workers, a few trucks, and some equipment could make this project a reality. HOW ABOUT IT ??? Let's hear from all you good people PLEASE.

In closing, I thank Ray Bourque, our Principal, our Teaching Staff, who do an outstanding job for all Auburn students, Superintendent Cawley, Assistant Superintendents Don Beaudette and Ed Donovan, Director of Special Services Carol Davis, and the entire staff of S.A.U. # 15 for their untiring support to our community. Special appreciation to Board members for their time and patience in the performance of their many duties. Sincere thanks to all Auburn residents for permitting me to serve on the Board for the past six years. It has been a privilege, an honor, as well as an education.

Respectfully submitted,

Marion Preston, Chairperson

School Nurse Report Town Report 1981 - 82

To the Superintendent of Schools,
School Board and Citizens of Auburn:

Vision Tests were given to all students:

Tested 446 Defective 37 Corrected 8

Hearing Tests

Tested 438 Defective 12 Corrected 4

Heights and Weights on all children

B/P on all students: 12 found to have a B/P above normal.
The families were contacted.

First Aid Treatments: 942. 17 Accidents

Conferences with Parents: 26; School Personnel: 68;
Home visits: 28

Five immunization clinics were held at the school this
year. Children from surround towns attended.

Communicable diseases reported:

Chicken Pox	6
Pediculosis	33
Scabies	1 child X 2 cases
Streptococcal	5

Bureau of Dental Health, under the direction of Doris Bodi, conducted a Floride Rinse Program. Grades 1-6 participated. The children's teeth were checked before and after the program. The results were very rewarding.

Dental Program sponsored by the Lions and Lioness was conducted by Dental Hygienist, Cynthia Kitan. One hundred three children had their teeth cleaned and floride applied.

Pre-school Registration was held in May with 43 children registering.

Athletic physicals - 49, by Dr. Rebecca Cohen.

First Aid Multi-Media was taught to Grade 8.

Some of the workshops that I attended this year are as follows:

Exposure, Pressure of the 80's, Abused Child, Screening Techniques, C.P.R. Up-date. Latch Key Family, and Alcohol & Drugs.

A team of nurses from the Elliot Hospital visited Grades 1 - 3 with puppets. A little show was presented called "What To Expect If Ever You Were To Be Admitted To The Hospital."

I wish to thank the Principal, Secretary, and Teachers for their cooperation. I would also like to thank the Lions and Lioness for sponsoring my dental clinics, immunization clinics, eye screening and glasses they have bought for some of the school children. Also a big thank you for the volunteers at each of my clinics.

Marion Heald, R.N.

Report Of The Auburn Planning Board

A total of seven subdivisions, creating thirteen new residential lots were approved the calendar year.

Name	Subdivisions	Date Approved
George Mercier	1 Residential Lot	June 9, 1982
Lester Emery	1 Residential Lot	June 9, 1982
Jane Kolsky	4 Residential Lots	July 14, 1982
Norman Milne	1 Residential Lot	September 8, 1982
Lloyd S. Wood	1 Residential Lot	October 14, 1982
Albert Payant	4 Residential Lots	October 14, 1982
Beatrice Gingras	1 Residential Lot	November 11, 1982

I wish to extend appreciation to all the Board members for the time and effort expended for the towns benefit. A special thanks to Maurice Biron and George Stratchko, who left the Board for health and business commitments and a welcome to Dan Gregoire and James Andrus the new members.

Respectfully,

Albert H. Burt, Jr.
Chairman,
Auburn Planning Board

Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at the Town Hall. Requests for a hearing are made to the Zoning Officer. Seven hearings were held by the Board in 1982. The hearings which are open to the public are posted and advertised in the Manchester Union Leader. Minutes of meetings are posted at the Town Hall for public review.

Paula Marzloff, Chairman

Civil Defense Report

A two day Advance Civil Defense Management Workshop was held at Campton which I attended with other Town officials.

Nuclear Civil Protection Planning, Disaster Planning and Emergency Operations and several other topics were discussed.

I plan to attend more of these seminars as they become available. Catastrophes may happen anytime, anywhere. Let us be prepared.

Respectfully submitted,

Theobald A. Therrien
Civil Defense Director

Auburn Road Committee Town Book Report

In an effort to develop a comprehensive road maintenance and rebuilding program the Road Committee has met through the year. Representatives from the Town's departments, the Auburn Village School, Southern New Hampshire Planning Commission, and the State met with the Committee to formulate plans. With the advice of Ted Bardwell, the State Engineer, Earl Davis, the Town's Engineer, and Joe Stacy, the Town Road Agent, the Committee reviewed the road problems in Auburn.

For 1983, the Committee decided to spend TRA (Town Road Aid) funds on Wilson Crossing Road from the Longmeadow Church to Pingree Hill Road; improving the intersection of Route 121 and Wilson Crossing, removing ledge, and tarring and shimming the section. SNHPC conducted a traffic count survey for the Town in the fall. Based upon their findings, the Committee recommended that the Town upgrade the dirt portion of Wilson Crossing from Nutt Road to By-Pass 28. The project will consist of straightening, widening, graveling, and then placement of a finish coat similar to the 1982 Raymond Road project.

The Committee also recommended continuing the Raymond Road project up Eaton Hill Road. This year the project will start with the removal of ledge and the placing of tar and shim. In the future, they would like to continue the project by re-building Eaton Hill Road and Coleman Road. In 1983 the Road Committee plans to work on a five year plan for the Town. This will help provide continuity from year to year.

In 1982 the Board of Selectmen and the Road Committee met with the residents of Appletree Road to discuss the application of the Betterment Assessment laws to the unpaved portion as a means of improving their road. As a result of the residents' discussion with the Selectmen and Committee, they decided to maintain the road presently at their own expense. In 1983 the residents will look further into solutions for the completion of their road.

Other concerns of the Road Committee in their meetings included the posting of roads during the mud season, reduction of speed limits on the Town and State roads, and the erection of stop signs. These programs will be considered in 1983.

The Board of Selectmen and Road Committee were very pleased with the 1982 projects. Under the supervision of Ted Bardwell and Joe Stacy the Town rebuilt Raymond Road from Route 121 to Eaton Hill. The committee unanimously feels it was an excellent piece of work and invites those who have not traveled it to do so. The Town placed two miles of shim on Pingree Hill Road. The 1983 proposed budget calls for an additional four miles to be laid. The Committee feels that the projects for 1983 coupled with the tarring and shimming will show an immediate difference in the Town's roads.

The Road Committee would like to gratefully acknowledge the help they received in 1982 from many sources including Ted Bardwell, SNHPC, and Town Officials.

Chairman of the Road Committee
Walter Emerson
Selectman
Joseph Stacy
Road Agent
Earl Davis
Town Engineer
R. Mark Seavey
Ethan V. Howard, III
John Davis

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission is an association of municipalities voluntarily organized and operating under the provisions of New Hampshire Revised Statutes Annotated, Chapter 36:45-53. The Commission's statutory responsibility is to prepare a coordinated development plan for the region and to encourage its cooperative realization through the advisory process.

Directed by representatives of the City of Manchester and the Towns of Auburn, Bedford, Candia, Chester, Deerfield, Goffstown, Hooksett, Londonderry, New Boston, Raymond and Weare, the Commission's professional staff carries out the development of the plan.

The Commission's program is organized under regional, metropolitan transportation, and local technical assistance functions. Within these broad categories, individual tasks often vary on an annual basis according to the needs of the region and those of the Commission's participating communities.

In addition to reviewing detailed technical studies with appropriate area officials and agencies, staff reports on summaries of these and other timely planning items are covered in the Commission's quarterly newsletter "Project" which is widely distributed to approximately five hundred municipal officials and interested residents of the region.

Although several regional planning tasks were accomplished during the year, one stands out as a major achievement which can be directly attributed to the Commission's vigilance and its ability to act quickly and effectively on behalf of its member communities.

Due largely to the efforts of Chairman Ray F. Langer (Hooksett), Vice Chairman Donald M. Babin (Londonderry) and Commissioners Robert L. Wheeler (Goffstown) and John L. Sherburne (Deerfield), and the participation of the region's boards of selectmen, the State's Solid Waste Management Act was successfully amended by the Special Session of the General Court in May, 1982. On July 22, the Tricounty Solid Waste Management District was formally organized and the District by-laws were adopted by the ten participating towns in November. During 1983, the District will undertake the planning process which will ensure local compliance with the requirements of the new Act.

In connection with the annual update of the Metropolitan Manchester Transportation Planning Study, which serves as the basis for the approval of federal funding to support eligible highway, bridge and transit service improvements in the City of Manchester and the Towns of Auburn, Bedford, Goffstown, Hooksett, and Londonderry, the following studies have been completed since our last report to you:

- "Vehicle Travel Time, Metropolitan Manchester Planning Study Area" (November, 1981);
- "Land Use Update, Metropolitan Manchester Planning Study Area" (March, 1982);
- "MTA Contingency Plan For A Petroleum Shortage" (April, 1982);
- "Analysis of 1980 Traffic Accidents, Metropolitan Manchester Planning Study Area" (June, 1982);
- "Short-Term Parking Study, Fiscal Year 1982, Central Business District, Manchester, N.H. (June, 1982);
- "Formulation of Transportation Control Measures for Carbon Monoxide Attainment in Manchester, N.H. (June, 1982), and
- "Transportation Improvement Program for Fiscal Year 1983" (September, 1982).

Local assistance services provided during the year included:

- Responded to the Selectmen's inquiry regarding an interpretation of the Auburn Zoning Ordinance;
- Provided the Selectmen with information pertaining to the statutory requirements for notification on proposed subdivision activities;
- Researched recommended standards for public recreation facilities and areas for the Planning Board and Town Counsel and met with them to review same;
- Provided Board of Selectmen with suggestions for an amendment to the Subdivision Regulations pertaining to the recording of approved plans;
- Assisted Town Counsel and the Planning Board with the successful defense of litigation over a subdivision denial;
- Provided Selectmen's counsel with supporting documentation relative to the identification of wetlands and seasonally wet soils;

- Researched background material and reference resources related to planned unit developments and cluster-type subdivisions for a member of the Planning Board.
- Advised the Board of Selectmen of the availability of Outdoor Recreation and Conservation Project funds;
- Prepared a large scale colored map of proposed zoning district amendments as requested by the Planning Board.
- Assisted the Planning Board with the preparation of a legal notice for hearing on proposed zoning ordinance revisions;
- Provided the Board of Selectmen with information concerning the availability of fiscal year 1982 funding under the U.S. Department of Housing and Urban Development, Community Development Block Grant program;
- Advised the Board of Selectmen on the provisions of the State's new Solid Waste Management Act, and offered them an opportunity whereby they could achieve local compliance;
- Provided the members of the Planning Board, Zoning Board of Adjustment, Board of Selectmen and the Building Inspector with schedules of the Fall, 1982 Municipal Law Lecture Series;
- Assisted the Board of Selectmen by conducting traffic counts at selected locations on Town roads.

Auburn's representatives on the Commission are:

Board of Commissioners - Mr. Daniel Carpenter
 Mrs. Brenda Beer
 Mr. Donald Marzloff, alternate

Executive Committee - Mrs. Brenda Beer

Metropolitan Manchester Transportation Planning Policy Committee - Mr. Donald Marzloff

1982 Auburn Volunteer Fire Department Town Report

Phone number to report a fire - 483-2521
Fire Station phone number - 483-8141

The Auburn Fire Department and Rescue Squad responded to 125 calls for the year ending December 31, 1982.

- 8 - Building Fires
- 6 - Brush Fires
- 10 - Special Service Calls
- 6 - Mutual Aid Calls to other Towns
- 61 - Rescue and Medical Emergency Calls
- 5 - Car Fires
- 12 - Chimney Fires
- 8 - False Alarms
- 9 - Good Intent Calls

At the present time there are 36 active members in the Department. In March of '82, the Auburn Volunteer Firemen's Association voted to spend \$12,000 of money earned from dances and other fund raisers to install a powered reel on Engine VI. The truck was equipped with 2500' of 4" diameter hose, a new tank, and a new pump. This equipment makes it possible for the Department to rapidly lay out the 4" line, and then move large volumes of water up to 3000' from the water source.

The Department has formed a committee to look into the need for and the design of a second fire station. A new station house in the vicinity of Wilson Crossing and Pingree Hill would put most people in the Town within 3 miles of a fire station. At the same time the Fire Department can improve the service they can give and decrease the individual's home fire insurance premiums. The Department will present their findings at the 1984 Town Meeting.

In October, the Department negotiated with the Derry Fire Department to dispatch the Auburn personnel and equipment. They answer the Auburn red phone (483-2521), 24 hours a day, 7 days a week. Guaranteed dispatch, coupled with automatic mutual aid, is a service the Fire Department has needed for many years.

If you have any questions about the Fire Department or would like a fire inspection of your home, call or come in to see us. Sunday morning someone is always available at the Fire House.

Yours in Fire Prevention
Daniel Trombly, Fire Chief

Report of the Forest Fire Warden

Forest Fire Statistics - 1982

Date	Location	Area	Cost	Man Hours
3/30/82	Hooksett Road	40' x 40'	33.63	8
6/12/82	Wilson Crossing	15' x 40'	73.13	18
7/6/82	Pingree Hill Road	1/2 acres	159.78	28

Forest Fire prevention and control is a cooperative effort of the Town fire organization and the New Hampshire State Forest Fire Service. The cost of extinguishing forest fires is shared by the Town and the State.

As the statistics above indicate, the New Hampshire forest fire seasons are spring and fall when the forest are dry. Town residents are reminded that all fires kindled outdoors when there is no snow on the ground must be approved in writing by the Forest Fire Warden. Forest fire prevention is no accident and is the responsibility of each and every citizen.

Respectfully submitted,

Martin Sullivan,
Fire Warden

Auburn Police Department

1982 was a year of continued growth for the Auburn Police Department. The Police Department continued its system of 24 hour service to the community. Coverage was divided between day and night patrol shifts.

In January, the Chief completed a training seminar in Police Civil Liability. Each of the officers participated and completed an in-service training program on Family Crisis Intervention.

In February the Auburn Fire Department made available a Red Cross First Aid course for the new police officers. The Police Chief and the Fire Chief completed a training course in Hazardous Materials sponsored by the Department of Safety. All department personnel completed an in-service training session on current motor vehicle and criminal laws.

In March, the Chief completed a training session in Vicarious Liability and Labor Relations. The Department continued its program of speaking before various groups and organizations within the community. A workshop was put on before the local 4-H groups concerning babysitting training.

In April, the department coordinated with neighboring police departments with in-service training on the issue of non-lethal force. In-service training concentrated on DWI detection, arrest, and prosecution.

In May, the cruiser maintenance program was expanded to a weekly basis. The summer patrol program with Manchester Water Works began a month early with the Lake Massabesic Park open to visitors. The Chief completed a training program with the Fish and Game Department concerning changes in the Off Highway Recreation Vehicle Laws.

In June, the new radios were installed in the cruisers. A department policy and procedure manual was begun. The system of merit increases was supplemented with the use of job performance reviews. A new daily cruiser check program was instituted. Mr. Paul Sanford was added in the capacity of animal control officer. Michael Willett, Leonard Leclair, and Joseph Ober were added to the department. The Chief attended the New Hampshire Chiefs of Police Association Annual Convention in Conway.

In July, the department instituted a booking and fingerprint program.

In August, the department went to the purchase order system instituted by all town agencies.

In September, the department began a Chaplain program. This has been very successful in solving family domestic crisis and notifications of deaths in a family. All officers completed an in-service training on report writing and the department standard operating procedures. The department equipment inventory was completed. The Chief conducted a training seminar on drugs with the teachers and staff at the Auburn Village School.

In October, all department officers completed an in-service training program on area alarm systems and current laws of arrests. The Chief completed a training program sponsored by New England Telephone on tracing harrassing telephone calls. The department also initiated a program to aid victims of burglaries. Patricia Tropicana upon request has aided the department when jewelry or precious metallic items are stolen. She is able to provide an accurate description and place them on her computer network. The department wishes to thank her for her efforts which she has made available at no cost to the town.

In November, the department completed its first ever firearm maintenance program. In addition all radios were checked and repaired. It is the policy to send out one piece of equipment each month for preventative maintenance. This extend the life of current department equipment. The department completed an in-service training session concerning the use of a police dog, Bullet, owned and trained by Joseph Ober. The dog is certified in obedience, tracking, attack, and drug. The Chief attended the International Chief's of Police Association convention in Atlanta, Georgia.

In December, Michael Willett and Leonard Leclair graduated from their six-month in-service training program at Manchester Police Department. The department currently has its full complement of seven officers who are trained certified in accordance with current State of New Hampshire statutes.

The Auburn Police Department would like to acknowledge the continuing assistance from its neighboring police agencies. The department would like to recognize the special talents of Edward Picard for his ability to complete composite drawings of suspects, Joseph Ober for his work with our K-9 program, and John Manni with his assistance in firearm and radio maintenance.

Last year, the Auburn Police Department started the House Check Information Report. A copy of this form was enclosed in your annual Town Report. This program was an overwhelming success. We are continuing this program. We would like to expand it in another area. If you notice the other half of the page contains a Criminal Mischief Report. We are enclosing this form in an attempt to make it as easy as possible for witnesses and victims to report those instances of vandalism that they might be aware of. One example, could be damage to a mailbox. The department maintains an index of offenses by location and by type. If an incident is not reported, then we can not adjust our patrols appropriately.

In closing, we would like to thank the organizations and the residents of Auburn for their time and efforts.

Lloyd P. Wood, Chief

OLDE HOME DAY COMMITTEE REPORT

The spirit and neighborliness that knit New Hampshire townspeople together centuries ago was seen again during the weekend Auburn celebrated its second annual Olde Home Days on July 23 and 24, 1982. Conceived originally as a commemoration of the Yankee heritage that flourished many years ago, Olde Home Days was born in 1981 as a cross between an old town fair and a Fourth of July weekend.

According to Pat Reynolds, one of the chairpersons, "We were looking for a way people in our community could get together, socialize and have some fun. After the town fair had been announced publicly, we had ideas coming in from everywhere."

The Olde Home Days events kicked off on Friday night, July 23, with a parade in downtown Auburn celebrating the theme "Come Join Us--Friends and Neighbors." Local businesses, organizations and neighborhood groups marched and entered floats. After the parade, a number of events were held at the Auburn Village School, including a prince and princess contest, a bike parade, and a variety of other activities. Two "Citizens" of Auburn were chosen, Maurice Biron, former Selectman, and Dorothy Gilman, former Tax Collector.

On Saturday there was one event after another. People in town participated in, to name a few, the woodsmen's contest, horseshoe pitching, a road race, baking contest and field games. There were a number of exhibits, such as a historical display, Karate, rescue by the Auburn Fire Department, and square dancing. We found a good use for local politicians and town officials in the dunking booth. The festivities were capped off by a display of fireworks on Saturday night.

The Olde Home Days Committee hopes that 1983 will be an even bigger and better year. We encourage more people in town to join us in planning for the 1983 fair. We feel that it can only be successful if Auburn townspeople work together in putting on the event.

Auburn Olde Home Days is already underway with plans for the 1983 celebration but we need you! What did you like or dislike about Olde Home Days last year? Do you have any different ideas or events that we could include this year? In what area(s) can you help?

Burning Regulations

TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Martin Sullivan, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the terms of the permit. Burn before 9:00 A.M. and after 5:00 P.M. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storm

A. From November 1 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 P.M. and 8 A.M. or at any time in such a manner as to impede snow removal operations.

B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police: any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.

C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

Dog Ordinance

A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.

B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars (\$15.00) for each offense.

Emergency Telephone Numbers

AUBURN POLICE 483-2922

Telephone number to reach Rockingham County Dispatch Center toll free: 1-800-582-7177. This dispatch center is manned on a 24 hour basis, 7 days a week. The service is available to Auburn residents for ambulances, wreckers and all other forms of emergency assistance.

Snow Disposal Ordinance

Any person found shoveling snow into a town road or plowing snow across the road, so as to impede normal plowing operations, will be subject to a penalty not to exceed \$25.00 for each offense.

Trespassing and Loitering Regulation

1. PROHIBITION: No person shall enter upon or remain on Manchester Water Works or Town of Auburn premises, including all Manchester Water Works properties and all town buildings or public structures with the appurtenant land there-to between the hours of 8:00 P.M. and 8:00 A.M. unless permission by the Board of Selectmen or their designees has been granted.

2. PROHIBITION: No person shall loiter on the sidewalks in front of any commercial, fraternal, religious, or municipal building, or on any property owned by the Manchester Water Works in Auburn, nor shall any person sit upon or lean against the walls of residences so as to impede free passage, without first obtaining the consent of the owners or person in control of such premises.

3. PENALTY: The violation of any provision of this regulation shall be punishable by a fine of not more than \$100.00 for each offense.

Alcoholic Regulations

1. PROHIBITION: No person shall possess or consume any alcoholic beverages in the areas owned by the Manchester Water Works in Auburn, and/or other public place or building without first obtaining the consent of the owners or person in control of such premises. This regulation to be duly enforced by the Police Department of the Town of Auburn and any cooperating police forces, in accordance with New Hampshire laws.

2. PENALTY: The violation of this regulation shall be punishable by a fine of not more than \$100.00 and less than \$50.00.
